## 2017-2018 Uniform Code

The school uniform is an outward symbol of our unique faith centered school. It is an opportunity to establish self-identity while achieving the true benefits of a Catholic education. Wearing a uniform allows a student to shine as an individual.

Uniforms are to be clean, complete, and properly fitted; meaning nothing is to be oversized, undersized or ragged. **NO** substitutions may be made for any part of our uniform. Students are to be in full uniform each day of school. Any exceptions to this will be clearly noted for such events as Jeans 4 Jesus, Spirit, Birthday, and Free Dress Days. Non-uniform apparel must **not** have any writing. Any violation of the rules could result in non-participation of these special days.

Following the Uniform Code demonstrates respect for self, respect for our school, respect for others and respect for learning. Violation of the Uniform Rules may result in student being sent home.
