Dear St. Sebastian School Families,

Welcome to school year 2017/2018... almost! I hope and pray that you are all having a fun and safe summer! We are so excited for this new school year and can't wait to have a campus full of students again.

This school year, we are finalizing our uniform transition to the gray rather than the khakis. This means that khakis are no longer an acceptable uniform option. This school year **ALL uniform pants and shorts, for both boys and girls, MUST be purchased through Dennis uniform company** (all the Dennis Uniform pants/shorts have the outer Dennis tag in order to best identify these uniforms). Any other pants or shorts will be out of uniform compliance and will result in student write ups or child being sent home. We understand the cost of uniforms and so in order to offer some more affordable uniform resources, we will be offering uniform sales out of our office, selling logo navy blue polos at cost, which is a lower price (*child-\$15 & adult-\$18*) than the Dennis uniform shirt. You are of course welcome to continue purchasing these through Dennis if you prefer their make and quality, but we wish to make sure that all families are best able to access some uniforms at a lower cost. We will, of course, continue to also sell uniform sweaters and PE shirts in the office as well.

In this envelope please find our our Family Summer Mailers. Attached are many forms and flyers in preparation for our school year 2017/2018. Please see inventory list below of envelope content and each form's status, falling under "return" or "keep for your reference." We ask that all pertinent forms please be returned to the school office in the provided envelope by **Thursday, July 20th**, either by mail or by hand to the School office (*summer office hours Mon-Thurs 9am-2pm*).
